VERBATIM COMMENTS

- Like to see more maintenance on single track trails.
- First, I just want to say that Basin Rec is one of my favorite organizations and a huge part of why I love living in the area so much. Do you need volunteers for trail maintenance? I'd be happy to help out.

Second, I have a suggestion if you're looking at adding new trails to the area. I live in Pinebrook and frequently use our HOA owned trails to connect Mid Mountain/Hunters Trail with the No Worries/Road to Wos system in Summit Park. But the Pinebrook trails are not ideal -- they're not designed for biking and most importantly, they are not public. Are there any plans to build a public, bike friendly trail to connect the Summit Park system to Mid Mountain? It would be awesome and hopefully alleviate some parking pressure on other trailheads.

- More parking at the Fieldhouse. Need a parking garage.
- Better communication between staff/schedule and patrons.
- Expand showers and dressing room
- Love the track a lot.
- On weekend, keep kids off the weight room equipment.
- Needs a steam room.
- Childcare/Kids Club like PC MARC.

- Need more hiking only trails.
- More senior programs.
- Construct an area dedicated to e-bikes. Not put them on existing trails.
- Commercial companies paying a fee for trail use – hikers, bikers (e.g. REI, Westgate) all private “tour companies” (seconded).
- Love the hiking trails and open, natural space.
- Need a park/playground in Summit Park area – young families are leaving because their needs aren’t being met.
- Hire more life guards so we can swim more laps!
- Close Run-a-Muk 2x/year (mud season?) to clean up and “rest”.
- Great B.O.D.! (Brian too)
